Pendant lamp LTD by Lagranja Design for Foscarini

Flexibly capable of every environment, thanks to its white or black, the pendant lamp LTD by Lagranja Design for Foscarini for the first time it can be finished and assembled just the way it's used to be. It might light a corner, a table as well as a conference hall.

Chair_One by Konstantin Grcic Industrial Design for Magis

Chair_One by Konstantin Grcic, Industrial Design for Magis, has been chosen for its subtle and elegant design. It enters in an architectural world and adds the quality we made up.
